Description

Preconditions:

- 1-log in the website "Noriel" with admin credentials
- 2-choose from the "contul meu" menu the "Date personale" section.

Steps to reproduce:

- 1 Choose the text "Modifca parola" by clicking the correct radio button.
- 2 Delete the existing passwords from the "Parola curenta" text boxes.
- 3 Fill in the "Parola noua" text boxes with new passwords address email.

4 Fill in the 'Confirma Parola noua"text boxes with new passwords address email.

5 Click the "Salveaza" button.

Expected result :

The form is updated and a pop-up is displayed with the title 'Ai salvat informatiile de cont'.

Actual result:

The "Salveaza " button is disabled.

[As an user I want to have a cart page](#) (REC-1)

 **[REC-7] [Delete] The red 'x' button, to the right of the product, is disabled and the product cannot be deleted** Created: 08/Apr/24 Updated: 24/Apr/24 Resolved: 09/Apr/24

Sprint:	REC Sprint 1

Description

Preconditions:

- create a user account and log in the app.
- we have already items in the cart

Steps to reproduce:

- Click on the text box "Cosul meu"icon from the application header.
- Click on the blue icon"Vezi cosul"

- I choose the product that I want to delete.
There is a red x next to the product.

Press the red X to delete the item.

Expected result :

The red X is enabled and the product is deleted and the page is updated with the rest of the products

Actual result:

The red X is disabled.
